IV. FACTUAL ALLEGATIONS

Background and Credit-Reporting Inaccuracies for Plaintiff's Primary Mortgage Account with Nationstar

13. Upon information and belief, in or around August 2009 Plaintiff secured a primary

mortgage for his property located at 460 South Kenwood Place, West Terre Haute, IN 47885.

14. Sometime thereafter, Nationstar Mortgage LLC acquired Plaintiff's mortgage loan and assigned loan number 62116xxxx, hereinafter ("Nationstar mortgage account").

15. On January 31, 2017, Plaintiff filed for a Chapter 13 bankruptcy. A redacted copy of Plaintiff's chapter 13 bankruptcy docket report is attached hereto as Exhibit "A".

16. On July 31, 2017, Plaintiff Chapter 13 payment plan was confirmed. *See* Exhibit "A".

17. On March 12, 2022, Plaintiff was discharged from his chapter 13 bankruptcy, and excepted from discharge Plaintiff's Nationstar Mortgage. A redacted copy of Plaintiff's Chapter 13 Bankruptcy Discharge Order is attached hereto as Exhibit "B".

18. Read in concert, Sections 1322(a)(2), 1322(b)(5), and 1328(a)(1) of the Bankruptcy Code, bar discharging home mortgage debts in a Chapter 13 Bankruptcy.

19. On March 16, 2022, Donald L. Decker, Trustee for Plaintiff's Chapter 13 Bankruptcy filed a Chapter 13 Standing Trustee's Final Report and Account. A redacted copy of Plaintiff's Chapter 13 Bankruptcy Trustee's Final Report and Account is attached hereto as Exhibit "C".

20. On or around April 18, 2022, Plaintiff's Chapter 13 Bankruptcy was terminated. *See* Exhibit "A".

21. Throughout Plaintiff's Chapter 13 Bankruptcy, under direct or indirect order from the bankruptcy Trustee, timely monthly mortgage payments were made to the Nationstar mortgage account.

22. After discharge, and to this day, Plaintiff still lives in the home and makes timely and regular mortgage payments to the Nationstar Mortgage, has historically made timely and regular

payments to the Nationstar Mortgage, even after Plaintiff's bankruptcy, and plans on continuing to make timely and regular mortgage payments to the Nationstar Mortgage.

23. Sometime in May 2023, Plaintiff obtained his three-bureau credit report and noticed that the Equifax credit report(s) was not accurate. A redacted copy of Plaintiff's three-bureau credit report is attached hereto as Exhibit "D".

24. Within the Equifax credit report Plaintiff noticed that it reported the Nationstar mortgage account without the correct update that indicated that this secured debt was initially filed. This led to reporting that this open account was closed, with a \$0 balance and \$0 payment amount, with a date of last payment of 12/1/2016. Further, they neglected to provide the update that the tradeline was later discharged, and no longer part of the bankruptcy. This led to them reporting this account as derogatory, as being in a wage earner plan and with references to the Chapter 13 Bankruptcy. The reporting is incorrect because Plaintiff complied with the terms of the chapter 13 bankruptcy plan, was successfully discharged—excepted the secured Nationstar mortgage debt from being discharged, therefore, any remarks and/or references to Plaintiff's chapter 13 bankruptcy should have been removed from the Nationstar Mortgage tradelines after the Bankruptcy was discharged.¹

25. Metro 2 guidelines require furnishers and CRAs to update the reporting of an account when the borrower associated to the account filed chapter 13 bankruptcy by first updating the Consumer Information Indicator ("CII") to "D", and then continuing to furnish the monthly payment

history information with a value of “D”. Metro 2 guidelines further require furnishers and CRAs to update the reporting of an account when the borrower associated to the account is discharged from chapter 13 bankruptcy by updating the CII to “Q”. In following these simple Metro 2 guidelines, which are well regarded as the industry standards, it prevents the reporting of any late payment history during the pendency of a consumer’s chapter 13 Bankruptcy, and allows payments made by the consumer after the chapter 13 bankruptcy is discharged to be reported. Metro 2 guidelines are followed by both furnishers and CRAs.

Background Information and Credit-Reporting Inaccuracies for Plaintiff’s Primary Mortgage Account that Transferred Between Everbank and Old National

26. Upon information and belief, in or around December 1998 Plaintiff secured a mortgage for his modular home property located at 816 South 8th St., West Terre Haute, IN 47885.

27. Sometime thereafter, TIAA Bank (later renamed Everbank, N.A.) acquired Plaintiff’s mortgage loan and assigned loan number 1409000024xxxx, hereinafter (“Everbank mortgage account”).

28. On January 31, 2017 , Plaintiff filed for a Chapter 13 bankruptcy. *See* Exhibit “A”.

29. On July 31, 2017, Plaintiff Chapter 13 payment plan was confirmed. *See* Exhibit “A”.

30. In or about May 2018, Everbank sold or otherwise transferred the mortgage account to Old National Bank. Old National Bank assigned loan number 31700024xxxx hereinafter (“Old National Mortgage Account”). *See* Exhibit “A”.

31. On March 12, 2022, Plaintiff was discharged form his chapter 13 bankruptcy, and excepted from discharge Plaintiff’s Everbank/Old National Mortgage Account. *See* Exhibit “B”.

32. Read in concert, Sections 1322(a)(2), 1322(b)(5), and 1328(a)(1) of the Bankruptcy Code, bar discharging home mortgage debts in a Chapter 13 Bankruptcy.

33. On March 16, 2022, Donald L. Decker, Trustee for Plaintiff's Chapter 13 Bankruptcy filed a Chapter 13 Standing Trustee's Final Report and Account. *See* Exhibit "C".

34. On or around April 18, 2022, Plaintiff's Chapter 13 Bankruptcy was terminated. *See* Exhibit "A".

35. Throughout Plaintiff's Chapter 13 Bankruptcy, under direct or indirect order from the bankruptcy Trustee, timely monthly mortgage payments were made to the Everbank and Old National mortgage accounts.

36. After discharge, and to this day, Plaintiff still lives in the home and makes timely and regular mortgage payments to the now Old National Mortgage Account, has historically made timely and regular payments to both the Everbank Mortgage and Old National Mortgage Accounts, even after Plaintiff's bankruptcy, and plans on continuing to make timely and regular mortgage payments to the Old National Mortgage Account.

37. Sometime in May 2023, Plaintiff obtained his three-bureau credit report and noticed that the Experian and Trans Union credit report(s) were not accurate. *See* Exhibit "D".

38. Within the Experian credit report Plaintiff noticed that it reported the Everbank mortgage account without the correct update that indicated that this secured mortgage debt was no longer part of the bankruptcy, as potentially discharged through bankruptcy, as derogatory, as being in a wage earner plan and with references to the Chapter 13 Bankru. The reporting is incorrect because Plaintiff complied with the terms of the chapter 13 bankruptcy plan, was successfully discharged—excepted the secured Everbank mortgage debt from being discharged, therefore, any

remarks and/or references to Plaintiff's chapter 13 bankruptcy should have been removed from the Everbank Mortgage tradelines after the Bankruptcy was discharged.²

39. Metro 2 guidelines require furnishers and CRAs to update the reporting of an account when the borrower associated to the account filed chapter 13 bankruptcy by first updating the Consumer Information Indicator ("CII") to "D", and then continuing to furnish the monthly payment history information with a value of "D". Metro 2 guidelines are followed by both furnishers and CRAs.

40. Within the Trans Union credit report Plaintiff noticed that it reported the Old National mortgage account without the correct update that indicated that this secured debt was initially filed. This led to reporting that this open account had a \$0 balance. Further, they neglected to provide the update that the tradeline was later discharged, and no longer part of the bankruptcy. This led to them reporting this account as derogatory, as being in a wage earner plan and with references to the Chapter 13 Bankruptcy. The reporting is incorrect because Plaintiff complied with the terms of the chapter 13 bankruptcy plan, was successfully discharged—excepted the secured

Old National mortgage debt from being discharged, therefore, any remarks and/or references to Plaintiff's chapter 13 bankruptcy should have been removed from the Old National Mortgage tradelines after the Bankruptcy was discharged.³

41. Metro 2 guidelines require furnishers and CRAs to update the reporting of an account when the borrower associated to the account filed chapter 13 bankruptcy by first updating the Consumer Information Indicator ("CII") to "D", and then continuing to furnish the monthly payment history information with a value of "D". Credit-Reporting Investigations and Allegations

42. On or about June 2023, Plaintiff sent direct disputes to Equifax, Experian, and Trans Union, and requested that the CRA Defendants investigate the reporting of the aforementioned mortgage accounts. Plaintiff requested that under the FCRA, each CRA Defendant conduct a reasonable investigation and/or remedy the inaccuracies on Plaintiff's credit reports concerning their respective issues concerning the tradelines for the Nationstar, Everbank, and/or Old National

mortgage accounts.

43. Within these dispute letters, Plaintiff described in great detail the issues and the misreporting following his bankruptcy and enclosed copies of either his bankruptcy docket report, trustee final report, and/or discharge order. Redacted copies of Plaintiff's unsigned dispute letters sent to Equifax, Experian, and Trans Union, are attached hereto as Exhibits "E", "F", and "G", respectively.

44. Equifax responded to Plaintiff on July 8, 2023 and concerning the Nationstar tradeline stated the account has been updated but continued to report the same inaccuracies despite being discharged from chapter 13 bankruptcy. A redacted copy of Equifax's Response to Plaintiff is attached hereto as Exhibit "H".

45. Plaintiff then obtained an updated copy of his three-bureau credit report on September 7, 2023 and within the Equifax credit report Plaintiff confirmed that the Nationstar tradeline continued to show the same inaccuracies. A redacted copy of Plaintiff's September 7, 2023 Three-bureau Credit Report is attached hereto as Exhibit "I".

46. Equifax's responses, or lack thereof, were not the result of a reasonable investigation into Plaintiff's dispute(s) and failed to remedy the inaccuracies within the Nationstar tradeline and gave no explanation as to why it failed to sufficiently update the Nationstar Mortgage tradeline when Plaintiff filed chapter 13 bankruptcy, complied with the requirements of the chapter 13 bankruptcy plan, was successfully discharged, and continued to make payments on the Nationstar Mortgage account because it was still open following the bankruptcy discharge.

47. Equifax's response(s) were not the result of reasonable investigations into Plaintiff's dispute(s) for they did not adequately evaluate or consider Plaintiff's information, claims, or

evidence and failed to remedy the inaccuracies within the Nationstar Mortgage tradelines.

48. Plaintiff sent a very clear dispute, and yet Equifax made no changes to the disputed information, bankruptcy status, and/or account status.

49. Equifax chose to “verify” false information from an unreliable source, failed to correct the inaccurate information, and continued to publish the inaccurate information regarding Plaintiff’s Nationstar account.

50. Upon the Plaintiff’s request to Equifax for verification and addition regarding the Nationstar mortgage account, and in accordance with Equifax’s standard procedures, Equifax did not evaluate or consider any of Plaintiff’s information, claims or evidence. Importantly, Equifax failed to maintain procedures which would ensure that, if any investigation took place, it would provide Plaintiff’s with a response communicating the results. Further, Equifax did not make any attempt to substantially or reasonably verify the Nationstar Mortgage account.

51. In the alternative, and in accordance with Equifax’s standard procedures, Equifax failed to contact Nationstar, therefore, failed to perform any investigation at all.

52. In the alternative to the allegation that Equifax failed to contact Nationstar, it is alleged that Equifax did forward some notice of the dispute to Nationstar, and Nationstar failed to conduct a lawful investigation.

53. Experian received Plaintiff’s dispute on June 23, 2023. A redacted copy of the Certified Mail Receipt and Proof of Delivery for Plaintiff’s Dispute Letter to Experian is attached hereto as Exhibit “J”.

54. Upon information and belief, Experian did not respond to Plaintiff’s dispute.

55. Plaintiff then obtained an updated copy of his three-bureau credit report on

September 7, 2023 and within the Experian credit report Plaintiff noticed that the Everbank tradeline was now missing, presumably deleted rather than modified. *See* Exhibit “I”.

56. Experian’s responses, or lack thereof, were not the result of a reasonable investigation into Plaintiff’s dispute(s) and failed to remedy the inaccuracies within the Everbank tradeline and gave no explanation as to why it failed to sufficiently update the Everbank tradeline when Plaintiff filed chapter 13 bankruptcy, complied with the requirements of the chapter 13 bankruptcy plan, was successfully discharged, the Everbank mortgage was acquired by Old National, and Plaintiff continued to make payments on the Old National mortgage account because it was still open following the bankruptcy discharge.

57. Experian’s responses were not the result of reasonable investigations into Plaintiff’s dispute(s) for they did not adequately evaluate or consider Plaintiff’s information, claims, or evidence and failed to remedy the inaccuracies within the Everbank Mortgage tradelines.

58. Plaintiff sent very clear disputes, and yet Experian made no changes to the disputed information, bankruptcy status, and/or account status.

59. Experian chose to “verify” false information from an unreliable source, failed to correct the inaccurate information, and inappropriately deleted Plaintiff’s Everbank account.

60. Upon the Plaintiff’s request to Experian for verification and addition regarding the Everbank mortgage account, and in accordance with Experian’s standard procedures, Experian did not evaluate or consider any of Plaintiff’s information, claims or evidence. Importantly, Experian failed to maintain procedures which would ensure that, if any investigation took place, it would provide Plaintiff with a response communicating the results. Further, Experian did not make any attempt to substantially or reasonably verify the Everbank Mortgage account.

61. In the alternative, and in accordance with Experian's standard procedures, Experian failed to contact Everbank, therefore, failed to perform any investigation at all.

62. In the alternative to the allegation that Experian failed to contact Everbank, it is alleged that Experian did forward some notice of the dispute to Everbank, and Everbank failed to conduct a lawful investigation.

63. Trans Union responded to Plaintiff on July 21, 2023 and concerning the Old National tradeline deleted rather than modified the account. A redacted copy of Trans Union's Response to Plaintiff is attached hereto as Exhibit "K".

64. Plaintiff then obtained an updated copy of his three-bureau credit report on September 7, 2023 and within the Trans Union credit report Plaintiff confirmed that the Old National tradeline was missing. *See* Exhibit "I".

65. Trans Union's responses, or lack thereof, were not the result of a reasonable investigation into Plaintiff's dispute(s) and failed to remedy the inaccuracies within the Old National tradeline and gave no explanation as to why it failed to sufficiently update the Old National tradeline when Plaintiff filed chapter 13 bankruptcy, complied with the requirements of the chapter 13 bankruptcy plan, was successfully discharged, and continued to make payments on the Old National Mortgage account because it was still open following the bankruptcy discharge.

66. Plaintiff sent a very clear dispute(s), and yet Trans Union made no changes to the disputed information, bankruptcy status, and/or account status.

67. Trans Union chose to "verify" false information from an unreliable source, failed to correct the inaccurate information, and inappropriately deleted Plaintiff's Old National account.

68. Upon the Plaintiff's request to Trans Union for verification and addition regarding

the Old National mortgage account, and in accordance with Trans Union's standard procedures, Trans Union did not evaluate or consider any of Plaintiff's information, claims or evidence. Importantly, Trans Union failed to maintain procedures which would ensure that, if any investigation took place, it would provide Plaintiff with a response communicating the results. Further, Trans Union did not make any attempt to substantially or reasonably verify the Old National Mortgage account.

69. In the alternative, and in accordance with Trans Union's standard procedures, Trans Union failed to contact Old National, therefore, failed to perform any investigation at all.

70. In the alternative to the allegation that Trans Union failed to contact Old National, it is alleged that Trans Union did forward some notice of the dispute to Old National, and Old National failed to conduct a lawful investigation.
